Remember when our new bus was hit by a drunk driver last year right after launched the Kingdom to the Capitol tour?

Well, it took months and tens of thousands of dollars to fix it- thank you to all who helped!

We decided to take the scrap metal and create something beautiful out of it! 🇺🇸🇺🇸🇺🇸🇺🇸

These LET US WORSHIP medallions will be given to every person attending the VISION NIGHT next Friday in DC as prophetic picture of our mandate for 2025:

"They will rebuild the ancient ruins and restore the places long devastated; they will renew the ruined cities that have been devastated for generations."

Isaiah 61:4
